

How to Order Commercial 38999 HDMI Connectors

SPI3824DAWHDMI/VN/X

SPI Number |

3820 = Wall Mount Receptacle
3820D = Wall Mount Standoff Receptacle
3824 = Jam Nut Receptacle
3824D = Jam Nut Standoff Receptacle
3824R = Reduced Jam Nut Receptacle
3826 = Cable Plug

Rear Termination |

A = Metal Back Shell
S = Threaded Body No Back Shell
P = PC Tail Contacts (Applies Only to 3820D and 3824D)

Class |

K = Stainless Steel
M = Marine Bronze
N = Electroless Nickel (RoHS, Conductive)
W = Cadmium Olive Drab (Non-RoHS, Conductive)
Z = Zinc Nickel Black (RoHS, Conductive)

- Notes:**
- 1) Receptacles come with a front-side and rear-side socket HDMI
 - 2) The plug connector does not come with any plug, but is designed to accept one
 - 3) Rear termination "A" – Metal Back Shell requires a grommet designed for the specific cable used. See your Sales Representative for more details
 - 4) Refer to the PCB Layout Chart for the 3820D and 3824D

Deviations
